7:30pm Shorey	
7:30pm Camden	
7:30pm Tropicana	

* Teams with an early practice time need to vacate the field at the time for the next practice to begin. Please exercise courtesy in allowing the next team to begin warming up in the outfield while you are clearing the field and dugout areas of equipment and trash. Please leave the field in a cleaner condition than you found it. Please exercise good judgement regarding the playing condition of the field if it is wet. We need the fields to be in top condition for the entire season, not just for one pre-season practice.
