

NELL 3rd Annual

Baseball Camp of Champions 2011

Hitting Unlimited Corporation will be holding a fundraiser for Northeast Little League to allow players to develop their baseball skills while having fun. Proceeds will go to NELL for field improvement and many other things that can come up during a baseball season. We invite you to enjoy our second annual baseball camp. With Hitting Unlimited as our sponsor, we will put together a great experience for each camper. High School and College Coaches will be instructing, as well as Chris Wilson.

The purpose of this camp is to make every individual a better player. We will successfully accomplish this by building on the strengths and breaking down the weaknesses to put a well-rounded player on the field. Players will also grow in sportsmanship, leadership, and citizenship skills.
